

Weekly Schedule

This week we will be learning about...

Mural Arts

Together we will design, plan, measure, and paint our mural. We will be exploring with textures, colours, lines, shapes, and stencilling. What is public art? How can we share a message through images? What are important values to live by?

Masks

We will use plaster-cast to mould a mask to our faces, decorating and painting to create characters using our imagination! Who inspires you? Who makes you feel invincible? What creatures and worlds can we create to tell our stories?

Cooking Classes

Our special guest Chef Lluvia will be running a workshop and conversations on the importance of food. Where is food grown? How does it grow? How can we nourish ourselves? What foods do we like? There will be a tasting challenge *..for those who dare!*

Zines

Zines are all about self-publication and personal expression. Share your writing, drawings, special objects, political message, poetry. What messages do you want to share with other children all over Toronto?

Save the date: Art Showcase
Friday March 16, 3:00pm

Imagine That!

ImagineArte!

Dear Parents,
please remember
to pack your child with an
extra tshirt for painting,
comfortable clothes for
movement, and comfy shoes
for running!
